### CONGRATULATIONS TO THE CAST OF THOROUGHLY MODERN MILLIE!

This past week, the cast and crew were informed that they were nominated for over **20** Jerry Awards!

The CCHS family is incredibly proud of the students and cast on their hard work. The Jerry Awards are given to high school theater programs across the state of Wisconsin. The cast and crew will find out this weekend if they have won any. If so, they could be performing in Madison in June.

# PRINCIPAL'S MESSAGE

## What it means to have "Topper Pride"

On my first day as Principal of CCHS, way back in June, a card was waiting for me in my brand new mailbox. The author of the card wished me good luck on my new adventure, and signed off "with Topperpride" before his signature. Back then, I did not know what those words meant, but thankfully, I do now.

In the words of the Founder of the School Sisters of Notre Dame, (the patronesses of our school), Blessed Mother Theresa Gerhardinger, "Topperpride" means we are all "called...and sent." As members of the Catholic Central Community, we are **called** to the teachings of Jesus Christ, and we are **sent** into the world to be living witnesses of those teachings. We must ask ourselves, "how are we succeeding at being living witnesses to the teachings of the Gospel?" Do I display Topperpride in my school work? Do I live my witness to the Gospel on and off of the stage? Do I witness to my faith on the competition field? As parents, do we model our Gospel values in the stands? Do I practice compassion in my communication with teachers and staff?

As we approach the end of the school year, and the pressures of AP exams, finals, college acceptance and sports titles close in, let us all remember the words of Mother Gerhardinger and bear witness to the call of discipleship by being "called and sent."

**With Topperpride,**  
Bonnie Scholz

## INTERNATIONAL

## STUDENT PROGRAM

As most of you know, we are in the process of re-starting our international student program for the 2018-19 school year. We already have two amazing host families that are willing to welcome an international male student into their homes, but we now find that we have two female students who would also love to join our CC family in the 2018-19 school year. There is a stipend for becoming a host family. If your family would like to learn more about becoming an international host, please contact Ms. Karen Schwenn at [kschwenn@cchsnet.org](mailto:kschwenn@cchsnet.org)
