Take 10

Life is busy. Take 10 seconds to meditate...breathe in and let your mind rest, if even for this short time. You may find that taking these precious seconds are a great start to something more than you expected. Considering that you have 86,400 seconds to use in a day...it's but a fraction to do something for yourself. This is just not new-age-y stuff, CCC 2708 refers to this type of meditation as "of great value". And, we here at CCHS, "second" that.

SAVE THE DATE

On June 16-26, Dr. Dan Scholz will be one of the guest lecturers on a pilgrimage with Archbishop Listecki and Pentecost Tours to Turkey and Greece. The pilgrimage is entitled "In the footsteps of Paul," and it will entail traveling to the cities where Paul evangelized such as, Corinth, Crete, Santorini and Ephesus.

For all those unable to make the Pilgrimage, The Archbishop and Dan will be doing a presentation on Paul at the Cathedral of St. John the Evangelist in Milwaukee on May 29.
Please see below for further details!

When Christians travel on a pilgrimage, they integrate the sites and sounds of their journey with their spiritual life. In this presentation, an arm chair pilgrimage in the footsteps of St. Paul, Dr. Scholz will lead us through the cradle of Christianity where Paul did his missionary work, making sense of Jesus' message to the ancient world by integrating Hebrew theology with Greek philosophy. Dr. Scholz received his Ph.D. from Marquette University in 1997 in biblical theology. Dr. Scholz is an active member of the Catholic Biblical Society and the Society of Biblical Literature.
