EXPLORE TEST:

Incoming freshmen are **required** to take the ACT Explore test. Catholic Central chose the Explore Test as our placement test for several reasons. It assesses academic progress at the eighth grade level, helps students understand and begin to explore career options and assists them in developing a high school course work plan. It functions as a point of entry into the high school level of the ACT (American College Test) which is a college entrance exam required in Wisconsin and other states. The four thirty-minute tests in English, Mathematics, Reading, and Science Reasoning are designed to measure a student's curriculum related knowledge and the cognitive skills important for future education and careers. A writing sample will also be part of the testing process.

Following the testing, answer sheets are sent to the ACT organization for scoring. We receive the scores and information in approximately 4-6 weeks, at which time we will mail test results to your home.

**Please contact the Admissions Office at (262) 763-1510, ext. 225,
if you have any questions regarding this test.**
